Based on Gadsby Hymn 624

Written by: Brooks Ritter, Jamie Barnes

**E**

Oh Lord, our Father God and Friend,

**Amaj7**

Your Majesty knows no end,

**C#m7**

When we, so helpless wrecked with sin

**A B C#m7 B/D#**

You spoke to life the hearts of men

**C#m7**

**G#M7**

All You Saints! Adopted ones!

**E**

Sing to Him enthroned on high,

**B Bsus**

Who calls us sons and heirs of light,

**A E B**

He sent His son, the ransom for our crimes.

**E**

Should thieves or death or demons try,

**B Bsus**

To cheat us of this new birth-right,

**A F#m E B**

We're safe within the First-Born's sacrifice.

Creation wearied, waits in death,  
For life again with God's elect,  
By faith, Christ's blood in us perfects,  
Eternal hope we now possess,

Though Scenes of Hell appear today,  
Our Savior stands in victory  
None shall be taken from His hand,
