

# Death Has Lost Its Sting

Words by Isaac Watts, adapted by Rebecca Dennison  
Arranged by Mike Cosper

## Verse 1

**Gm Cm**  
My God, how many are my fears  
**Gm D7**  
How fast my foes increase  
**Gm Cm**  
Conspiring my eternal death  
**Bb D7 Gm**  
They break my fleeting peace

## Verse 2

The lying tempter would persuade  
My heart to doubt your aid  
And all my swelling sins appear  
Much greater than your grace

## Chorus

**Bb D7 Gm**  
Arise, Oh Lord, fulfill your grace  
**Bb D7**  
While I your glory sing;  
**Eb Cm Gm**  
My God has broke the serpent's teeth  
**Bb D7 Gm**  
And death has lost his sting

## Verse 3

But you my glory and my strength  
Will on my tempter tread  
Will silence all my threatening guilt  
And raise my drooping head.
