

# The Day the Sky Went Black

Music and Lyrics by Jamie Barnes

**Intro:** Riff in Dm

## Verse 1

**Dm**

On the day the sky went black  
The Light of the World obscured  
Sins of the Earth strapped on His back  
The shame of the cross to endure

**C Gm Dm**

Oh – oh

**C Gm Dm**

Oh – oh

## V2:

On the day the sky went black  
Christ in the death machine  
A Roman spear spilling blood from his side  
That would wash all the stained ones clean

**C Gm Dm**

Oh – oh It's over and done, It's over and done

**C Gm Dm**

Oh – oh It's over and done, It's over and done

## Chorus:

**F Dm**

From that dark travail

**Bb F**

He will claim the conflict won

**F Dm**

And over death prevail

**Bb F**

To lift high the holy ones

**Bb F C A7**

To lift high the chosen sons to God

# The Day the Sky Went Black

Music and Lyrics by Jamie Barnes

## V3:

On the day the sky went black  
The Breath of God drew his last  
Death into life and light into dark  
And praise in the lungs of the blessed  
Oh – oh. It's just a bite to the heel, a bite to the heel  
Oh – oh. And a bite to the heel gets a boot to the head.

## Chorus

## V4:

On the day the sky went black  
The Light of the World shown high  
The debts of the Earth are paid in full  
And the well of wrath drained dry.  
Oh – oh.  
Oh – oh.

## Chorus
