

A Voice is Sounding

Based on a 5th century text, Written by Jamie Barnes

F Am G

Listen, a voice is sounding
"Christ is near" we hear it say
Cast away your dealings of darkness
All you children of the day

Shaken by the solemn warning
Out from the shadows we arise
Christ, the sun, all ill dispelling
Shines upon the dawning skies

Pre-Chorus:

C E7 Am
Come and see, in awe and wonder
F C
The Word as silent babe
E7 Am
And with a blast of thunder
F C C/E F Ab Bb C
His majesty Proclaim

Chorus:

C C/E F
A voice is sounding loud
Ab Bb C C/E G/B
Christ is here, Christ is here
C C/E F
A voice is sounding loud
Ab Bb C C/E G
Christ is here, Christ is here

A Voice is Sounding

Based on a 5th century text, Written by Jamie Barnes

See the lamb so long awaited
Comes with pardon down from above
Let us haste in tears of sorrow
To receive his benevolent love

When he comes again in glory
And the world is wrapped in fear
He will shield us with his mercy
And, in love, will draw us near
