

# All Good Gifts

Michael Morgan

1

**G** **C**  
This bit of time has come and gone  
**G** **C/G**  
We'll move along, but not alone  
**E<sup>m</sup>** **C** **D**  
May the candles remain undimmed as we depart.  
**G** **C**  
All good gifts, grace unknown  
**G** **D**  
Poured out from living stone  
**E<sup>m</sup>** **D** **C/G** **G**  
Take these things and hide them in my heart

**G** **C**  
Seems I'm born to forget,  
**G** **C**  
With a dark sky to the west,  
**B<sup>m</sup>** **D** **C** **F**  
The kingdom in me in the amnesia worry brings  
**G** **C**  
It's hard to believe I could ever doubt  
**G** **C**  
Right now the mysteries all appear sorted out  
**B<sup>m</sup>** **D** **E<sup>m</sup>** **C/G**  
How does winter sneak up in me when it's clearly spring?

**G C**  
Hold a dime up to your eye  
**G C**  
And it will look an enormous size  
**B<sup>m</sup> D C F**  
So you'd think God shrinks as you look down here for more  
**G C**  
We don't get it right, who would've guessed?  
**G C**  
Hallelujah, God doesn't expect  
**B<sup>m</sup> D E<sup>m</sup> C/G**  
More than his own grace to carry us to shore

**G C**  
All good gifts, grace unknown  
**G D**  
Poured out from living stone  
**E<sup>m</sup> D C/G G**  
Take these things and hide them in my heart  
**C**

Go in peace
