

May Your Power Rest On Me [Dm]

[Recorded Version] by Eddy Morris, Joel Gerdis, and Neil Robins

Dm **C** **Gm**
Let me hear my Savior say
Your strength shall return
Then Ill rejoice in my weakness
As I lean on your grace.

Dm **C** **Bb**
As I lean on your grace.

Chorus:

F **Gm**
May your power rest on me.
 Dm **Bb**
You are strong when I am weak
 F **Gm (C)**
I can bear all things when temptation springs
 Dm **Bb**
For you sustain me all my days

Let me know my Saviors face
Let my hope be secure
Then Ill rejoice in my weakness
As I lean on your grace
As I lean on your grace

Gm
Once from the Lord withdrawn
 Dm **C**
I thought that I could live my life alone
Leaving the solid ground
I sank beneath His wisdom
Gm **Gm/A-Bb**
The harder I tried to climb
The closer I was to find
 F **Bbm**
how great is my weakness

May Your Power Rest On Me -

Though the trial still goes on
Your grace will be my song
For I can bear all things when temptation springs
For you sustain me all my days
