

Warrior [Bm]

[Default Arrangement] by Bobby Gilles, Dave Moisan, and Neil Robins

Bm

David rejoiced in God alone
He was raised by grace to an earthly throne
But Christ the son demands our praise
For His kingdom has no end of days

Lord, you rejoice in victory
When another lost soul bows to its knee
Rising tide of righteousness
With the shield of truth upon your breast

D **A/C# Bm**

Oh the warri or!

V2

Bm

Honor and majesty divine
Around his sacred temple shine
Grace and might so long foretold
In crowns of glory, not of gold

Your hand shall find out every foe
And as a fiery furnace glows
With raging heat and living coals
They will feel your wrath upon their souls

CHORUS

Oh the warri or... will conquer all
A/C# Bm G D
The world will fall... before His feet
